If you are not receiving emails/text messages from the office/pupil asset then please let them know – thank you 😊

We have learned how families prepare their houses and themselves for the celebration and compared this to Diwali and Christmas celebrations. We have painted some great watercolour dragons.

We have Learned a dragon dance and taken our big dragon for a big dance in the hall and tasted some different foods at snack. We have added another letter sound this week – it is dD for dragon and been thinking about the Numeral 4.

School Values – These are woven into our school week:

Respect Collaboration Inquiry Inclusion Achievement Safety Confidence Independence

### **Phonic sounds**

Here is a link for how to say each sound purely-this avoids the children picking up bad habits in the future which can be harder to undo-it may be worth letting all relatives who support your child take a look-I know that my own parents, as grandparents benefitted from this!

### **Party Invitations**

We will no longer be giving out party invitations in Diamond class as the children are too young to be responsible for collecting them safely and staff cannot monitor this regularly. We hope that you will be able to give any out in the queue before/after sessions – thank you for your understanding😊

### **Family traditions**

If your families have celebrations/traditions that your children get involved in then please let us know and we will try to include them in our Nursery year. Please post on Tapestry or tell us about them via the class email.
