

Monday 31st January 2022

Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Tuesday 22nd February 2022.**

'Everything the NSPCC does protects children today and prevents about tomorrow'.

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **25 seconds**

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

- We are having a fun day of maths activities and we will be taking part in *Dress up for Digits*. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt, a onesie!) or get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for a suggested donation of £1, and we'd love everyone in the school to take part in this special event.

Safe fundraising

Please send in a donation of £1 to support NSPCC's work in a sealed envelope and will be in touch shortly with amount raised.

It all adds up

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at school will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Yours sincerely,

Mrs Aston
(Maths Lead)
