Friday 25th March

Phonics

Our Sounds this week were: oe, au, ey

Our Words this week were: children, here, Mrs, I'm, are

Spellings and words for next week: house, will, what, too, they

English... This week in English we have been writing a recount of our Mad Science Workshop. We thought about how we could build on what we already know about writing a recount and make our writing even better from before. The children have thought of different time conjunctions to use as well as thinking about how each part made us feel.

Maths... In Maths this week we have been learning all about positional language. We started by learning our left and right, we use our L in our left hand to help us with this. We then used our vocabulary to help us with some map work and guide objects around the map to get to their treasure. We then moved this learning onto learning about turns and how we can do a half turn, full turn or even a three quarter turn. Again, the children used this knowledge to help them find out if the questions were true or false and if the objects had been turned successfully.

Computing... In Computing this week we have linked it with our learning in Maths. We have been looking at algorithms and how to input an algorithm when using the Beebots but also learning how to debug the programme if it goes wrong. We also used the Beebot app on the iPads to input some algorithms to get the Beebot to the flower successfully.

Class Cafe

Next week both year 1 classes have got their class cafes. This is a chance for you to come into school and find out about our learning and enjoy taking part in some activities we have set out.

Please could you bring in any recycling from home (egg boxes, cereal boxes, toilet tubes, tin foil etc) ready for our Class Café. We will also have some refreshments out for you to enjoy ☺
