11th March 2022

The Three Little Pigs

We have been reading the story of The Three Little Pigs this week and the children have loved joining in with the words 'by the hair on my chinny chin chin I will not let you in!' and of course 'I'll huff and I'll puff and I'll blow your house down'.

We have been acting out the story using puppets and our small world setting and making lots of houses from recycling materials. We have a class storymap and lots of children have been making their own.

Some useful links for ideas and support for you and your children.

<https://www.justonenorfolk.nhs.uk/digital-health-profiles/solihull> - Solihull

<https://www.justonenorfolk.nhs.uk/our-services/child-health-drop-in-self-weigh> - JON Drop-in, every Tue 10-11am. It's online and the link is just below the map when you scroll down.

World Down's Syndrome Day
Monday 21st March is World Down's syndrome day which is a global awareness day. We are asking for children to come to school wearing odd socks to mark this day. More details about this will be on the Headteacher's newsletter.

Phonics

We are focussing on one tricky sound each day at the moment to try and help children learn these really difficult digraphs and trigraphs. We have revised ear, air and ure this week and learning the words she, was, they and what.

Easter Bonnet Parade

On Friday 1st April we will be having our Easter Bonnet Parade at 2.30pm for you to come and watch. Please create an eggstra special hat at home and bring it into school the week leading up to the event. This is always a very popular event, children love showing off their marvellous creations.

Dates for the Diary

23rd March - Mental health workshop for parents 2.15pm in the hall.

25th March Premier sports enrichment day (Come in PE kits)

15th and 16th March Parents evenings

1st April Break up

Maths

We have been learning all about numbers 9 and 10 and ordering numbers to 10. The children are becoming really good at subitising, that is recognising an amount without counting. They have also been demonstrating their number bond knowledge by knowing 8 add 2 is 10.
