

Year 2 - WB 25.04.22

English

This week we have been looking at circus acts and learning about the different art forms we see within a circus. The children read 'Leon and the Place Between' which inspired them to write about the magical circus performers that we see throughout the shows. We also used our visit from the Foolhardy circus as inspiration for our writing. The children used adjectives, onomatopoeia and adverbs to help them describe the acts.

Maths

We have been looking at weight and volume this week. The children have also been reading scales in 1s, 2s, 5s & 10s. This means counting in sequences which helps children with their understanding of their times tables too. We have also been looking at worded problems involving measurement.

Science

This week the children have been looking at life cycles and what they mean. We thought back to when we were able to witness the ducklings journey on their life cycle. We also discussed life cycles of humans too.

Foolhardy Circus

Thank you so much to Cosmo and Lucas for visiting our school on Thursday. The children took part in a circus skills workshop before watching a fabulous performance of their Foolhardy circus show.

RE

We have been learning about Islam this week. The children have been learning about the five pillars of Islam and what they mean.

Phonics

This week we have looked at prefixes and what they do to words when we add them to the start of them.

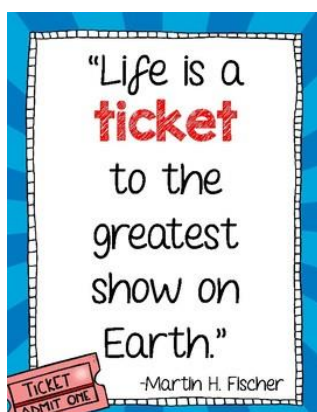

Next week's words: **sure, sugar, should, could, would**

Other curriculum subjects

PE- Gymnastics
Art - Collaging
Music- Listening and Appraising
PSHE- Relationships

Quote of the Week

Dates for the Diary

- Mon 2nd May - Bank Holiday
- Tues 3rd May - Falcon assembly
- Weds 4th May - Class photos
- Mon 16th May - Y2 SATs begin (2 weeks)
- Tues 17th May - Phonics Workshop
- Fri 20th May - PE Enrichment
- Tues 24th May - Ruby Café
- Thurs 26th May - Coral Café
- Fri 27th May - Last day of half term
