

Year One News

Friday 6th May

Phonics

Our Sounds this week were: ee (teeth), ea (beach), ey (monkey), ie (field) and y (happy)

Our Words this week were: put, the, help, by, now

Spellings and words for next week: we, people, she, her, if

English... This week in English we have been writing a set of instructions on how to plant a seed, linking with our Science learning and when we planted our beans. The children looked at some WAGOLL's (What a good one looks like) and found that to make instructions successful we need to include; a title, numbered/ in order, adverbs, imperative verbs and we can include an introduction sentence to extend our writing even more! The children have done a great job and should be proud of themselves!

Maths... In our Maths this week we have been recapping over addition. We have reminded ourselves of what addition is, how to be successful in addition and how to write addition number sentences. This time we have been looking at addition up to 50. We have also reminded ourselves of how to solve worded maths problems, looking for the key information and putting it into a number sentence to answer.

Mental Health Week... Next week is Mental Health Week and the theme is anxiety. Within our class we will be sharing stories and discussing Mental Health Week with the children and doing various different activities throughout the week.

Jubilee Hat Parade... On the 27th May at 2:30pm we are inviting you to come in to watch our Jubilee hat parade (similar to the Easter hat parade). Please could children make crowns at home and bring them for this date.

Reading

Please could you ensure that you are reading with your child or looking at their high frequency words, as much as you can. We understand that it can be tricky especially when we are all trying to spin so many plates! Each time your child reads at home, even just one page, they are able to earn a reading bead for their reading team. Each week in Praise Assembly we have been discovering who the winning team for that week is. The team who has won the most that term will win a prize. If you have any problems please talk to your child's class teacher.

The MORE that you READ, the more things you will KNOW.
The MORE that you Learn, the more places you'll GO.

Dr. Seuss

Dates

Dates for your diary.....
