

# Year 2 - WB 23.5.22

## English

In our English lessons this week we done lots more quizzes! This time focusing on reading. We have also written some acrostic poems about the queen using the words royal, platinum, and jubilee. The children used powerful adjectives for their poems and some even challenged themselves to use similes!

## Maths

In maths we have played lots of games! We played a game where you add or multiply dice together to create a monster drawing! The children even created their own maths games and enjoyed playing them together.

## Science

This week we have thought about the word hygiene. We discussed what this word means, why hygiene is so important, and ways we can stay hygienic. We then did an experiment with bread. We all touched a slice before washing our hands, then another slice after washing our hands. We are now waiting to see what happens!

## Phonics

This week we have looked at irregular verbs, e.g. swam and chosen.

**Next week's words:**  
Door, poor, floor, who, whole

## Other curriculum subjects

PE- Gymnastics  
Music-Ocarinas  
RE- Islam  
DT- Cooking  
PSHE- Relationships
