

Year 2 - WB 6.6.22

English

In our English lessons this week we have begun looking at newspapers! We explored what newspapers are and looked at a range of newspapers to find what makes them successful. Next week we will be writing our own newspaper articles about the jubilee celebrations. Because newspapers have quotes, we interviewed different people and asked questions in order to get quotes to use for our articles.

Maths

In maths we have been looking at worded problems involving multiplication and division. The children have challenged themselves to solve 2-step problems and have even had a go at writing their own worded problems when given an answer.

Science

We have begun to talk about plants in our science lessons. This week we discussed what plants need to grow and how seed travel. We looked at helicopter seeds and made some of our own using paper! We also discussed why seeds might need to travel.

Phonics

This week we have looked at contractions e.g. It is → it's

Next week's words:
again, half, money, Mr, Mrs

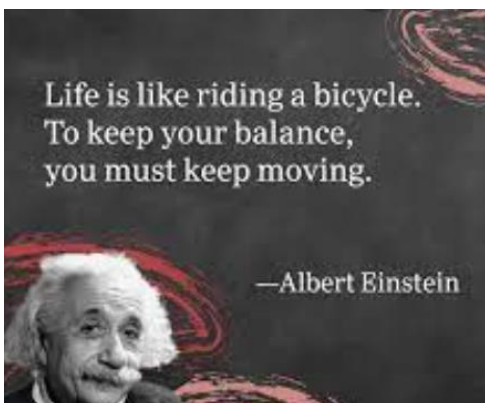

Other curriculum subjects

PE- Athletics
Music-Singing
RE- Islam
DT- Woodwork
PSHE- Changes
Geography- Maps

Quote of the Week

Life is like riding a bicycle.
To keep your balance,
you must keep moving.

—Albert Einstein

Dates for the Diary
