

Year 2 - WB 13.6.22

English

We have now applied all of our skills from last week to our own newspapers. The children have come up with their own headlines for our article about the Jubilee and have remembered to write in columns. When adding quotes from our interviews last week, lots of the children even challenged themselves to use speech marks, which is a tricky year 3 challenge!

Maths

In maths we have been collecting and presenting data. We have looked at tally charts and how to create them, and used our counting in 5s skills to find the total from our tally. Then we looked at pictograms and the children created their own pictograms from a tally.

Science

We have looked at the process of germination in our science lessons. We have planted some beans and are currently watching and waiting for the germination process to begin and for them plant their roots and begin to sprout.

Phonics

This week we have looked at the hard and soft c e.g. Cot (ck) and City (sss)

Next week's words:
great break steak people parents

Other curriculum subjects

PE- Athletics
Music-Singing
RE- Islam
DT- Woodwork
PSHE- Changes
Geography- Maps

Quote of the Week

Dates for the Diary

- Mon 20th June – Non-uniform (Bring a raffle/tombola prize for the BBQ) Please keep in mind that we are doing sports day activities in the morning, so children will need to be dressed appropriately
- Sat 25th June – Beach clean
- Tues 28th – Picnic at falcon (Bring a pack lunch, for those going to Falcon only)
- Fri 1st July – Rounders enrichment
