10th February 2023

Goldilocks and the Three Bears

We have continued learning about bears this week, but real ones! We have explored where they live in the world and their different habitats as well as found out what they eat and like to do. We have painted pictures of bears, made journey maps, story boxes and cut out pictures of bears and put them in order of size. We also really enjoyed our Teddy Bears Picnic today.

Dates for the Diary

13-16th Feb Half term

27th Feb-3rd March -Parents invited into classrooms to share stories.

28th Feb Sapphire Café 1:45pm

27th Feb-3rd March-Parents invited to share a story with their child from 2.30pm everyday

2nd March - **World Book Day** -come to school in pyjamas or dressed as a book character

14th March-Reception trip to Gressenhall

RSPCA

On the 18th April we are having a visit from the RSPCA who are coming to talk to us about how to care for animals. They are doing this completely free of charge but have asked if we would like to raise money for this amazing charity by donating 5p coins. There is a competition for which class can raise the most. I'm sure they would accept larger donations as well!

Maths

We have been focussing on measures this week. We have used the language longer, longest, tall, tallest, short, shortest and heavy, heaviest. We have been exploring the misconception that big items weigh more than smaller items and that a wiggly piece of string is shorter than a straight line.

Gressenhall

We have a very exciting trip to Gressenhall planned for Tuesday 14th March. This is a special Once Upon a Time themed day that compliments our traditional tales topic this term. We have been on this trip in previous years and it is always an absolute delight! We will be visiting Cinderella's cottage and helping her with the cleaning chores, meeting a witch who lives in a wood and helping her make spells as well as going down Jack's beanstalk. Just a reminder that we need permission slips and payment by 3rd March for the trip to go ahead.
Many thanks.
