

# Year Two - WB 30.01.23

## English

This week in English we have been writing a poster in aid of intergenerational week next week 😊  
To do this we have used modal verbs, adjectives, and persuasive language. We have really worked hard on our presentation skills this week and made sure our presentation gem is sparkling!

## Maths

This week in Maths we have been working hard on our subtraction skills. We have been using number lines to help with our learning and practicing counting backwards. We have revisited the concept and reminded ourselves that when we subtract the number will become smaller.

## Number Day

How wonderful it has been to see so many creative costumes!

Today we have had so much fun!

The children made 3D shape models and counted how many sides each shape has. We have made our very own Maths videos. We have cracked a tricky space code using our subtraction skills.

To finish of we have even looked at the links between Art and Maths by looking at Salvador Dali and Piet Mondrian. Maths is everywhere!

## Supersonic Phonics

Spelling Rules

Change the /y/ to an /i/ and add /er/

Spelling Rules

Change the /y/ to an /i/ and add /est/

## Dates for the Diary

Monday 6<sup>th</sup> February - Intergenerational Week

Friday 10<sup>th</sup> February - Last day of Term

Monday 13<sup>th</sup> February - Half Term

Monday 24<sup>th</sup> February - World Book Week

Tuesday 14<sup>th</sup> March - Orienteering Workshop

## Other Subjects

Pe - Dance

PSHE - Goals and Dreams

Art - Collaging

History - Martin Luther King & Rosa Parks - Civil Rights

Movement

D&T - Hinges
