

Year 2 - WB 20.3.23

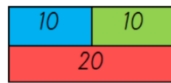

English

In English this week we have looked at traditional tales. The children noticed some commonalities between these, including a villain, and a happy ending. We focused on the 3 little pigs. The children have written their own version of the story changing the characters and what they build.

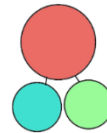

$$10 + \underline{\quad} = 20$$

Maths

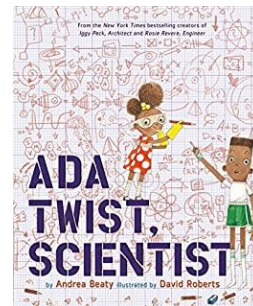

In Maths this week we've been solving missing number problems for addition and subtraction. We have also practiced our multiplication by applying our skills of counting in 2s, 5s, and 10s. Next week we will practice these skills in worded problems!

Phonics

Café

Thank you so much to everyone who was able to make it to the year 2 cafés this week. The children loved sharing their learning and spending time with you and we hope that you had a great time too. We'd also like to thank you for your generous donations. We are looking forward to our next café already!

Other curriculum subjects
