## Jack and The Beanstalk

The children have thrown themselves into the learning this week and have really enjoyed making castles and planting seeds. Some children have made giant castles and incredibly long beanstalks. They have been retelling the story and used story maps to help them with the key events. The writing this week has been incredible, all the skills we have been learning since September are beginning to come together and phrases and sentences are being written!

### School Equipment

Please can you keep your children off the school equipment in the mornings. Sometimes there are things set out for the day and these have been damaged recently which has been disappointing.

Thank you

### Borrowed clothes

If your child has borrowed school clothes, please could they be returned as our stocks are running low.

Thank you

### Dates for the Diary

19<sup>th</sup> May - Premier enrichment day - wear P.E. kit

22<sup>nd</sup> May - EYFS cake sale - please get baking to raise funds for our classes!

26<sup>th</sup> May - Break up for half-term.

13<sup>th</sup> June - Topaz Café 1:45

14<sup>th</sup> June - Sapphire Café 1:45

29<sup>th</sup> June - Rackheath Vets visit - Teddy bear clinic (bring a teddy)

### Maths

We have been learning about measures this week. We have measured a Giant's footprint, measured our own feet and put ourselves in order of height. The children have been using cubes to measure things around the classroom and putting things into length order. They have measured their strides outside using the outdoor bricks
