

Class Cafés

Thank you to everyone who attended the Class Cafés and joined the children in adding features to their planets and being scientists, carrying out experimental investigations. The children really enjoy working with their parents, grandparents and carers and showing you their skills.

Coronation Celebrations

On Friday 5th May we would like to invite you to our Coronation Celebrations. We will start with a picnic. The kitchen will provide picnics for children who would like a school lunch and adults can bring their own picnics in. Rugs and chairs can be bought in and families can sit together on our field. Then you can join the children for playtime and after we have registered the children we will have a school fete where each class will have a stall. We are hoping to have Premier education providing a sporting activity too. We hope to be making commemorative tea towels to celebrate that will be available to purchase from school. Further details on that will be provided in time.

After Easter we will send out forms so you can let us know if you will be celebrating the coronation with us. We will be asking you to take responsibility of your child while in school and we will have the usual safeguarding procedures in place.

Diary Dates

March

31st Last day of school

April

3rd **EASTER HOLIDAY**

18th Return to school
RSPCA visit to school

checks

6th Reception nation height and weight
checks

RSPCA

On Tuesday 18th April we have the RSPCA visiting school. We will have an RSPCA assembly and then the RSPCA will visit each class and talk about animal care.

We have been requesting that 5p pieces, or any loose change, are bought into school so we can give the RSPCA some money when they visit. If you have any loose change that you can spare, please can it be bought into school for us to donate to thank them for this free service.

Maths Café for Reception Parents

On Friday 21st April at 9:00am, Miss Pagen-dam and Mrs Spalding are holding a maths Café for Reception parents and carers. This is an opportunity to learn about how we teach maths in the reception class and how you can help support your child at home with their maths.

Welcome to the Sparhawk Team

Just to let you know about some staff changes that have happened at Sparhawk.

Mrs Sharpe is working in Diamonds class full time apart from Monday and Tuesday afternoon when she works on ELSA with some of our children. Mrs Clements is in Diamonds class for those afternoons.

Mr Seddon is taking shared parental leave after Easter and so we are welcoming Mrs Nichols to the year 2 team for the summer term
