

Year One News

Friday 17th March

English

This week in English we have continued our story writing. We wrote out our middle and end part to our story. We thought about what sentence openers we could use within our writing such as just then, all of a sudden and in a blink of an eye.

Phonics

This week in Phonics we have recapped over oy, ir, ou, aw and wh. Please see the attached parent newsletter for more information.

Maths... This week in Maths we learnt about time. We looked at telling the time to o'clock and half past. Each child had a go at making a time to o'clock and half past as well as playing the game what's the time Mr Wolf where the children had to show the time. We also spoke about how the long hand on the clock is the minute hand and the short hand on the clock is the hour hand and the significance this has when telling the time.

CAKE SALE

On Monday 27th March we have got the Year 1 cake sale to raise money for Emerald and Jade classes. We are asking for Year 1 parents to bring in cakes (either home made or shop bought) into school and then these will be sold after school on Monday 27th. If anyone would like to help run the cake stall please let Miss Whitlam or Mrs Dexter know.

BAKE SALE

Parent Class Café

Next week we have got our class cafes (please see below for your class dates). We would love for you to come along for the afternoon and see what amazing space work your child has been up to so far this term. We are hoping to share our very own Year 1 space song with you and sing in a round as well as sharing with you our DT work of our 3D planets and making some adaptations within the session. There will also be hot and cold drinks and biscuits provided. 😊 Any donations would be greatly appreciated to be put towards our class funds!

Dates
