

Year Two News

Friday 15th September

Values

Since returning to school we have been looking at our school values. This week we have looked at Independence, Safety, Collaboration and Achievement. For each value we have had different activities to complete such as becoming health and safety officers or writing down what we would like to achieve by the end of the year.

Phonics

We started our phonics learning again this week. We have started to recap over our Choose to use sounds. Our sounds this week were: are (hare), kn (knee), wr (write), ph (phonics) and au (haunt).

Wellies

Just a reminder that if you haven't already please ensure that your child has got wellies now that the weather will be changing. These can go on the welly racks outside the classroom. Please make sure both welly boots are named as some children may have the same and they can get mixed up. When it is wet and muddy the children can still enjoy playing on the field if they have their wellies, if they don't they will be on the playground.

Spellings

Attached to this Tapestry post is the spellings booklet for this half term. Like last year in Year 1, we will continue to focus our spellings on the sounds we learnt in the previous week for phonics. The children will bring their spelling book home for you to see how they got on and this needs to be returned ready for the test the following week. If you have any questions please ask someone from the Year 2 Team.

Lunch Choices

It has been lovely seeing the children back in the hall and socializing over their lunch and adapting to our new lunch times! Please could you ensure that you order your child's lunch online so that you know what your child will be having that day but also to ensure that your child will like what you've ordered 😊

Year 2 Curriculum Meeting

We will be holding our Year 2 Curriculum meeting on **Tuesday 26th September at 2:30**. We will go through what this school year will look like and what learning your child will receive throughout the year. If you are unable to make it do not worry, we can always send the slideshow and handouts to you.
