

Welcome to Reception

13th October 2023

This week

We have read the stories *Pumpkin Soup* and *Delicious* by Helen Cooper. We have looked at pumpkins, painted them and learnt about the lifecycle of a pumpkin. We made our own pumpkin soup and tasted this. The children found this experience really interesting!

Phonics

We have been learning the sounds **g, o, c, k** this week. Please see the phonics newsletter for this week for more ideas how to support your child at home.

Parents Evening

These take place in the hall, please come to school via the main school entrance and wait in the library until your class teacher comes to collect you. Appointments are ten minutes each. If you cannot make your appointment, please let us know in advance.

Thank you

Premier Enrichment Day

The children loved their enrichment day. Please Tapestry for some pictures of what they did.

Maths

In maths we have been looking at patterns, finding patterns in the environment, on our clothes and making our very own patterns with paint and shapes.

Fun Run

It is our annual Fun Run next Friday 20th October. Children can come to school in their PE kits ready to run as many laps of the field as they like. You can sponsor your child for each lap or make a donation to the school. This is a great fundraiser to help the school raise money towards school trips and exciting opportunities!

Dates for the Diary

20th October – Fun run

Tuesday 17th & Wednesday 18th Oct Parents evening

Friday 20th Oct – finish for half term

Monday 30th Oct - back to school
