

Year Two News

Friday 22nd September

English

This week we have been writing facts about dinosaurs. The children have been researching their favourite dinosaurs and using adjectives to describe their appearance, diet and size.

Phonics

We started our phonics learning again this week. We have continued to recap over our Choose to Use sounds. Our sounds this week were: gn (gnome), ore (chore), ey (key) and y (smelly)

Spellings

This week's spellings are: gnome, snore, key, happy, grew, this, oh, people, looked. You can find them on our 15th September Tapestry post.

Science

This week we have been looking at what it means to be alive, dead and have never lived. We have looked to develop the children's understanding that dinosaurs used to be alive but most are now extinct. We also learnt what living things require to be 'alive'.

Maths

This week we have been looking at counting in tens and ones. The children have been looking at recognizing tens and ones, counting them and understanding they can be represented in different ways. We have been using concrete objects and pictorials to represent two-digit numbers.

- 1) How many straws are there?
- 2) How many counters are there?
- 3) What number is shown?

Volunteers for Woodland Walk

In our science lesson on Monday 2nd October, we are looking to take a stroll over to Cottage Plantation for a woodland walk with the class to learn about habitats.

If you are free and would like to volunteer your time, please let the team know.

Year 2 Curriculum Meeting

We will be holding our Year 2 Curriculum meeting on **Tuesday 26th September at 2:30**. We will go through what this school year will look like and what learning your child will receive throughout the year. If you are unable to make it do not worry, we can always send the slideshow and handouts to you.
