

Welcome to Reception

22nd September 2023

This week

We have had a super week and the children have been getting used to the lunchtime routine. We are trying to let you know whether your child has eaten their lunch or not via a big sign outside the classroom. We hope this working for you, not perfect, we know, but any problems please speak to your child's teacher.

Sapphire Class

Mrs Nicholls will be joining us on Monday for the day, getting to know the children and our Monday routine. She will be 'on the door' in the morning to meet you. I know she is very excited to get to know everyone.

Class Emails

Teachers are unable to send whole group emails at the moment due to a technical fault. You can still email your class teacher though and they can respond, it's just whole class emails that are a problem. Until the issue is resolved we will use Tapestry to communicate with you when we have a whole class message to send.

Phonics & Maths Workshops

Thank you for coming to our phonics and maths workshops. We hope you found them useful. As always, if you have any questions, please do not hesitate to ask one of the team!

Pick up

The children will be staying all day next week and pick up is at 3.00pm. The school gates will open at 2.50pm and collection is from Sapphire Classroom and from the big playground by Topaz.

PE

We will be starting PE on Monday so please send children into school wearing their PE kits and trainers.
