

Year Two News

Friday 3rd November

English

This week we have been learning about bonfire night safety and writing a set of rules/instructions for being safe during a bonfire and fireworks night. The children had a bonfire on our playground and went through all the safety procedures and explained why they are important. We have been using imperative verbs in our instructions too.

Phonics

We have continued to recap over our Switch it Spell sounds: ew (flew) ew (few), ue (true), ue (cue) & u_e (cute).

Science

This week in Science, the children have began looking at different animal groups. We have been learning about fish and what features fish have, and what they need to survive.

Maths

This week we have been looking at our number bonds to 10 and using them to help us with addition problems e.g. $7 + 5 = \dots$ well I know that $5 + 5 = 10$ and there is 2 left over, so when I add that on it = 12.

We have also been adding 3 numbers together using a number bonds to 10 to help us e.g. $7 + 6 + 3 = \dots$ well I know $7 + 3 = 10$, so I just add the 6 on to make 16.

Home learning idea

Using pasta shapes, ask the children to add 3 numbers together e.g. $6 + 4 + 5 =$
The children can use the pasta shapes to find their answers. Can they use their number bonds to help them?

Geography

This week in geography, we have been recapping our understanding of physical and human geographical features. The children looked at how Sprowston has changed since the time of the dinosaurs.

In our art we will be creating 3D models of volcanoes to link with our history learning too. Please could you send in any cardboard pieces (large enough for us to create a 3D model using paper mâché), 500ml plastic bottles, newspaper and toilet tubes 😊 We will be painting these volcanoes before creating our own volcanic eruption!

Dates

Friday 10th – Lifelong ago workshop (date changed from the 6th)

Monday 13th – Anti-bullying week & Nursery Rhyme week

Friday 17th – Children in Need

Friday 24th- FOSSA Christmas Fayre (7pm-9pm)

December

Tuesday 12th- KS1 Xmas Performance (AM)

Thursday 14th- KS1 Xmas Performance (PM)

Wednesday 20th- Last day of school
