

Year Two News

Friday 24th November

English

This week we have started writing a story using the book Lima's red hot chilli. We changed the story to make it our own by changing Lima to our very character that we designed a couple of weeks ago. The children have been looking at what makes a story successful, and thinking about the different parts of the story using the story mountain. This week we wrote the beginning and the build up to the story.

Phonics

We have moved onto recapping Year 1 Spelling rules. This week we have been looking at adding the suffix *ing* to a root word where there is no change needed. For example jump becomes jumping.

Maths

This week we have been looking at taking away 2 two-digit numbers together using tens and ones to help us.

The children have been learning how to exchange one ten for ten ones to help them bridge through a ten. E.g. $54 - 26 =$
 $50 - 20 = 30$ You cannot do $4 - 6$ so swap a ten for 10 ones. Take the ten from our 30.

$$30 - 10 = 20$$

$$14 - 6 = 8$$

$$20 + 8 = 28$$

$$54 - 26 = 28$$

Home learning opportunity:

Find household items to represent tens and ones. For example, you could use pasta shapes – spaghetti could equal tens and penne could equal ones. Can the children solve two-digit subtraction problems such $54 - 22 =$ using them. Or can they bridge through a ten and exchange – $65 - 37 =$

Donations

It will soon be that time of year where we're sure children will be receiving lots of lovely new toys. If you were to have a sort out and find any toys you don't need any more, please be aware we will always appreciate any donations particularly toys, games and books.

*Donations
are Greatly
Appreciated!*

Online bookworms

Today our online bookworm's sale begins. All books are £2.50 each you can order online, at our Christmas Fair or in school Next Thursday 30th November. Take this opportunity to get ahead with your Christmas shopping! For every five books sold, the school gets one free!

Special Educational Needs Café

On Monday 4th December 8:30 – 9:30 we are hosting a SEN Café for parents and carers to introduce a new School and Community Hub for parents and schools to access support for their children. We will also be looking closer at the services available through Just One Number. Also, it is a great chance to speak to other parents who may be having similar worries about their children's development and gain ideas on how to support your child.
