

Year Two News

Friday 15th December

English

This week we have been looking at Christmas adverts and adding words to character's thoughts. The children have been acting out scenes from the videos with added dialogue, thinking about feelings and emotions. We have also written letters to Santa and created a class Christmas story.

Spreading Christmas joy

This week we have made cards for our neighbours in the community. Next week we shall be delivering the cards by knocking on people's doors, singing a carol and handing out some child-made cheese straws.

Phonics

We have moved onto recapping Year 1 Spelling rules. This week we have been looking at adding the suffix est to a root word where there is no change needed. For example young becomes youngest.

Maths

This week we have been looking at symmetry. The children created symmetrical Christmas decorations too.

1 Minute Maths:

We are going to trial an app called '1 Minute Maths'. The app is free and available on all devices. There is no login or internet connection required, so children can pick it up on the go at no extra cost. The app is designed to use both in class and at home and looks to help build greater number confidence and fluency. It would be great to use over the holidays.

Christingle

We will be walking over to St. Mary and St. Margaret's Church on Monday 18th December in the morning with Year 1 and Year 2 for a Christingle Service. If you would like to volunteer to join us, please let your class teacher know.

Christmas Performance

Our Christmas Performances were so amazing. We are so proud of them for their singing, dancing and speaking on stage.

Dates

Monday 18th Dec – Christingle service in morning (volunteers needed)

Tuesday 19th Dec – delivering Christmas cards

Weds 20th Dec – Last Day & Class party

Thurs 4th Jan – Children back to school
