

Welcome to Reception

12th January 2023

Welcome Back!

We hope you all had a lovely Christmas and wish you a Happy New Year!

Winter

We have launched into our new topic – Winter! Ask your child what they can tell you. We will be continuing this topic next week with a focus on birds.

Phonics

We have started Basics 3 and have been learning the sounds j, v, w, x this week.

Rock Steady

We were so lucky to have a visit by the Rock Steady group on Thursday. What a fantastic time the children had. Please see Tapestry for the pictures and ask your child all about it!

Maths

We have been learning about parts and whole, using objects for children to understand this concept. We have looked at the wheels, chimney and roof of a toy train and the train as a whole, we have used Mr Potato head, looking at all the different parts that make him whole. The children have continued this learning in their independent play, completing jigsaw puzzles and putting shapes together. Ask your child what parts make up their whole body. What other parts can they find at home that make up a whole object.

Dates for the Diary

Friday 16th February – break up for half term
