

Year Two News

Friday 12th January

English

This week we have written a recount of our amazing Rocksteady assembly that we had on Thursday. We reminded ourselves that to make a recount successful we need to include time connectives (At the start, after that etc.) and ensure that we write the recount in order. We also recapped over how we ensure we are writing in the past tense.

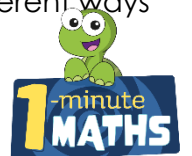

Phonics

We have moved onto recapping Year 1 Spelling rules. This week we have been looking at adding the **prefix un**. We have learnt how this changes the meaning to the word. For example kind would become **unkind** or wrap becomes **unwrap**.

Maths

This week we have been looking at money. The children have been looking at the value of coins and notes and thinking of different ways to make an amount.

1 Minute Maths

A game that you could use this week within the addition folder is the magic mix to 10, 20 or 100.

You could also encourage your child to buy things from a shop and see if they can get the correct money. Or even create your own shop at home where they have to buy back their toys and make their own money with paper and pen!

Geography Walk around Sprowston

Thank you to those of you who were able to join us on Thursday. It was great to see what human and physical features we could see in our local area. We will be using this learning to support us in the next few weeks.

Art

This week in Art we started our learning by exploring tearing paper and collaging it through using the skill of overlapping. We looked at Henri Matisse, Kurt Schwitters and Romare Bearden who are artists who created art using the skill of collaging.

Wellies

With the ever-changing weather, please could you ensure that your child has got a pair of wellies at school so that they can still have fun at break and lunchtimes without getting soggy feet!
