

Welcome to Reception

15th March 2024

Goldilocks and the Three Bears

Our traditional tale has been Goldilocks this week. We have been making story maps, talking about the characters, acting out the story with props and masks and sequencing the story talking about what happened in the beginning, middle and end. We have also made porridge and tasted this.

Maths

This week we have been learning about more and fewer. The children have been using sentence stems to say who has more and fewer toys/snack etc.

Class Cafes

Next Monday it will be Topaz class café and on Thursday it will be Sapphires café. Parents are invited to come and share this special session with their child. There will be a range of activities based around traditional tales for you to share with your child. It is a lovely session and there will be tea and biscuits! We do ask for contributions towards class resources so please bring some cash! Thank you!

Dates for the Diary

Tuesday 19th & Weds 20th March -
Parents evenings

Mon 18th March - Topaz Class Café

Thurs 21st March - Sapphire Class Café

Mon 25th March - Sleep workshop

Wednesday 27th March - Break up for
Easter

Phonics

We have been going over the sounds y,z,zz
and qu this week.

We have been recommending that children
practise blending with the sounds that we
are revisiting.
