

Welcome to Reception

8th March 2024

The Gingerbread Man

We have continued learning about 'The Gingerbread Man' this week, making our own gingerbread biscuits and decorating them! We also did a science experiment to see what would happen if a biscuit got wet. The children also designed and made their own boats using our recycling materials for the gingerbread man to cross the river. We then tested their boats to see if they could cross the water tray and deliver a dry biscuit to the other side!

Maths

We have been learning about the number 6, finding that this is one more than 5 and using our flashy fingers to make this number as quickly as we can. We have been singing the nursery rhyme '5 Little Men in a Flying Saucer' and putting our 5 aliens into a 5 spot spaceship. When another alien joined the group, we had a problem! Ask your child how we solved the problem.

Parents Evening

Please make sure you have signed up for a parents evening slot on either Tuesday 19th or Wednesday 20th March to speak to your child's class teacher.

Dates for the Diary

Tuesday 19th & Weds 20th March -
Parents evenings

Mon 18th March - Topaz Class Café

Thurs 21st March - Sapphire Class Café

Mon 25th March - Sleep workshop

Wednesday 27th April - Break up for
Easter

Phonics

We are recapping all the sounds in Basics 3 and have been revisiting j, v, w and x this week.

We are really focussing on blending words with these sounds to help with fluency.
