

# Year Two News

## Friday 22<sup>nd</sup> March

### English

This week in English we have written an application to join KAPLA's team. The children have been listing adjectives to describe their qualities, using commas. We have also been looking at including exclamation sentences. These use What and How at the start of them and rather than asking a question, they state your thoughts. E.g. What an amazing experience! How awesome is that! The children have really enjoyed our KAPLA experience.

### Phonics

This week we have been looking at suffixes again but this time looking at dropping the e and adding y. For example spice → spicy.

### Maths

This week we have continued our fractions learning. The children looked at unit and non-unit fractions. Unit fractions are fractions where the numerator is 1 –  $\frac{1}{2}$   $\frac{1}{4}$  and non-unit fractions are fractions where the numerator is more than 1 –  $\frac{3}{4}$ . The children have also been looking at equivalent fractions e.g.  $\frac{1}{2} = \frac{2}{4}$ .

#### 1 Minute Maths

You could look at the division section and look at division magic mix.

### History

This week we became historians and had to research into Ada Lovelace. She was an incredible woman who helped create the first ever computers.

### KAPLA

The children had such an incredible time building with KAPLA. They showed great skills and team work to build our creations.

### Art

Within our art lessons, we have been looking at graffiti artists and painters; Banksy and Basquiat. The children have loved looking at their inspiring creations. This week we have been painting our very own graffiti on our Y2 block. The children have been painting pictures and inspiring quotes for others to read.

### Hautbois trip

**Full payment for the Hautbois trip is due today, Friday 22<sup>nd</sup> March.**
