

Year One News

Friday 14th June

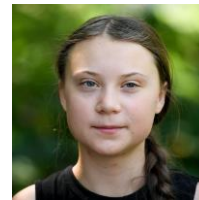

Phonics

In phonics this week we started our Switch it Mitch sounds where the sounds 'look the same but sound different.' We looked at: i (kind), o (sofa), c (city), g (gem)
Please see separate Supersonic Phonics newsletter for more information.

English

This week we learned about Greta Thunberg and how she used her voice to speak up and make a difference. We then wrote our own posters to persuade people to look after our world. We focused on using persuasive language, 'because' to give reasons and exclamation marks.

Maths

This week in maths we have been recognising and finding half of different objects, shapes and amounts.

With help, can you cut any food at home exactly in half? Can you get a group of objects and find half?

Art

In art this week we enjoyed learning about Japanese artist Yayoi Kusama. We learned about her life and began to look at her work involving lots of polka dots.

RE

This half term we are learning about Sikhism. So far we have enjoyed researching to find out as much as we can about the Sikh religion. We have also learned about the 3 key beliefs of Sikhism.

Science

This week we explored our sense of hearing. We went outside on a listening walk and then played games inside to test our hearing using musical instruments and other classroom objects.

Dates for your diary

Dates for
your
diary....

21st June – Non-uniform day – donations for the tombola

28th June – Sports Day

28th June (4:30 – 7) – FOSSA BBQ

1st July – reserve sports day

19th July – last day of school

Today, we spoke about why we were wearing yellow and green and why it is important to make everyone feel welcome in our school, our community and our country. We did some lovely welcome art too.
