

Year One News

Friday 12th July

Phonics

In phonics this week we continued to learn our Switch it sounds. We looked at: y (try), y (crystal), ou (soup), ch (chef), ch (chorus). Please see separate Supersonic Phonics newsletter for more information.

English

This week we wrote a recount of our record-breaking attempts from last week. We used time conjunctions, wrote in the first person and focused on adding 'est' to words as well, e.g tallest tower. Some children challenged themselves to add extra detail.

Geography

To finish off our map work, this week we recapped on what a key is used for on a map and created our own maps of the classroom, adding a key.

Maths

In maths this week we have been recognising and learning the value of different coins and notes, as well as counting in 2s, 5s and 10s using coins.

Science

In science this week we explored the final one of our 5 senses; smell. We smelled different scents, discussed if we liked them or not and thought of different words to describe them. There were very split opinions on some of the strong smells!

Please don't forget to send in a cardboard box, no bigger than a shoebox, for our DT project next week.

Dates for your diary

Dates for
your
diary.....

19th July – last day of school
4th September – children return to school
25th September (3:15) – FOSSA AGM meeting

PE

We have been finishing off our PE learning this year by looking at fitness. This week tied in nicely with our record breaking when we had a go at different sporting challenges and then tried to improve by beating our time.

Please send in a carrier bag with your child's name on at the beginning of next week if you are able to, so that we can send some of their work home.

FOSSA are holding their AGM meeting after school on 25th September. The money raised by FOSSA is invaluable to the school and the children's learning. Without your support, they won't be able to run next year, so please go along to the meeting if you can.
